How to deliver number cards, etc.	<p>The organizer will send number cards and chips for time measurement to competition contestants in the beginning of November. Since there is no number card delivery and acceptance at the race venue, please wear the number card and come to the designated place by the prescribed time. Details will be announced in the entry information 3 weeks before the event.</p>																							

Race Regulations

1. The tournament will be held in accordance with various regulations, etc., as well as relevant laws and regulations.
2. The organizer will not be liable to any detriments caused by the following:
 - (1) Injuries, illness, or other accidents
 - (2) Theft, loss, and/or damage of personal property
 - (3) Delay to the race caused by trouble in public transportation or poor road conditions
3. To ensure the safety of the event, the organizer shall impose the appropriate regulations over the race area, the course, etc.
4. Participants must follow the instructions of the organizer, officers and staff regarding the event. Participants may be disqualified if they do not obey instructions.
5. Participants may be disqualified if the organizer consider his/her clothes to be indecent, dangerous/ troublesome to other runners, or harmful to the event operation.
6. Participants may not drink or receive alcohol beverages before or during the race. If it is determined that you are drunk, you will be disqualified.
7. Participants must comply with public manners and competition rules.
8. Participants must bring his/her health insurance card or a photocopy of it to the event.
9. On the race day, unmanned aerial vehicles such as multicopters, drones, and radio control helicopters can not be flying over the venue regardless of whether they are for aerial photography purposes or not.
10. The organizer contracts a sports accident insurance during the race period.
11. If the chief judge/medical staff deem a participant to be unable to continue running, the participant may be stopped and asked to step off the course. In that case, he/she must follow the instructions of the chief judge/doctor.
12. Participants who become unable to continue the race without medical assistance, such as I.V. or a wheelchair, will be deemed to have dropped out of the race and will be disqualified. The decision of whether they are able to continue or not will be made by a doctor or medical staff on the scene and the participant may be medically treated.
13. On the race day, there will be no parking near the event site. Participants may not come to the race venue by motorcycle or motor vehicle.
14. Any disabled runner who finds it difficult to run alone may have an escort runner (only one person, free of charge) depending on the degree of handicap. The time of the escort runner will not be recorded except where the runner has registered him/herself.
15. Participants are advised to keep valuables in a secure and safe place in order to prevent theft, including luggage theft.
16. The organizer holds the right of publishing information and the right of publicity concerning the race such as videos, photographs, records, articles, location information, entrants' names, their ages, and their addresses (prefecture and municipality), via TV, newspapers, magazines, the internet, etc.
17. The organizer observes the law concerning the protection of personal information and related laws and regulations, and handles personal information as follows based on the organizer's personal information protection policy.
 - (1) Personal information handled:
Name, sex, date of birth, age, address, telephone number, mobile phone number, e-mail address, nationality, emergency contact name, phone number, relationship with the person, record, affiliation, location information, medical information, etc.
 - (2) Purposes of use:
For the purpose of improving services and safety for entrants, the organizer may provide entrants with notice of record, related information, services by organizations related to the event, and announcement of results (the event website, ranking, etc.). Further, the organizer may use them for insurance or medical purposes.
 - (3) Provision to third-parties:
Personal information may be provided to a third party in the following events:
 - The information must be provided to related business operators and contractors within the range related to the management of this event,
 - The information is required by an insurance company for insurance application,
 - Clinical information is required for academic purposes,
 - The information must be posted for broadcasting on television, newspapers, magazines, internet, etc.

Hometown Tax System

Minato City has "Minato City Furusato tax system" which allows people to donate for local events including MINATO City Marathon. Your warm support is greatly appreciated to introduce the charms of Minato City to all over the world.

Terms of Application

※ Before applying for registration, please read and agree to the following terms:

1. Participants may not, for personal reasons, change/cancel race categories, transfer rights, or switch applicant names after submitting the application.
2. There will be no refund for paid convention entry fees. The same applies in the case of reductions or cancellations due to earthquakes, storms and floods, snowfalls, incidents, accidents, epidemics, etc.
3. Participants must pay attention to their physical conditions including heart disease and other illnesses and make appropriate preparations for the event. Entrants must participate in the event at their own risk with regard to diseases, accidents, and losses.
4. The passage of emergency vehicles including ambulances may impede the progress of runners. If the organizers consider it necessary to discontinue the event, participants must immediately follow the instructions of the organizers and comply with any other instructions from the organizers with regard to safety management and operation of the event.
5. Participants will indemnify the organizers from responsibility for any accidents, loss, or injuries arising during the event and will not claim any compensation for them.
6. Participants will be compensated for any accidents or injuries arising during the event to the extent of the coverage of the insurance policy purchased by the organizers. The organizer will provide first aid in case of illness, other accidents, theft or loss, but will not take any responsibilities for it. Participants will not hold the organizers liable for any treatment and progression of such disease or accident.
7. Participants must obtain consent from the family, relatives or the guardian (in case of minors) or the team member (in case of application in the name of the representative) about the entry of this competition.
8. Participants are not allowed to make a false declaration in the application about age, sex, etc. or to transfer his/her entry to anyone else. If such dishonest acts are uncovered, participants must follow any decisions of the organizers, such as revocation of participation or award and disqualification of the subsequent sports events. The organizers shall bear no responsibility for aid or refund for those who make a false declaration or transfer his/her entry to anyone else.
9. Some applications made over the Internet may not be successful due to the applicant's device, operating system, or Internet browser. The organizer shall bear no responsibility for any delayed application caused by a failure of the internet service, etc.
10. The images, photographs, articles, records of the sports event (including entrants' personal information such as names, ages, sex, records, and figures) will be reported, posted, or used on newspapers, TV, magazines, Internet, brochures, etc. The organizers will hold the right of posting and using such information.
11. The handling of personal information of the applicants shall be subject to the personal information policy of the organizers as stated separately.
12. If there is any discrepancy between the provisions of this Application Terms and the race regulations, the race regulations shall prevail.

Note for people with disabilities

【Half Marathon】

- People with disabilities who are 18 years of age or older and can finish within the time limit on the day of the event are allowed to have an escort runner; However, guide dogs are not allowed as escorts. In this case, the participation fee for the escort runner is free, but the time of the escort runner will not be recorded except where the runner has registered him/herself. Those who use wheelchairs are not allowed to participate in the event.

【Fun Run】

- Any runner who finds it difficult to run alone may have an escort runner (guide dogs are not allowed as escorts).
- Participation in regular wheelchairs and strollers is also allowed; however, participation in racing wheelchairs is not allowed.
